Dear Sir/Madam

I am writing to you on behalf of our Association to bring to the attention of the Agency the destruction of the Karpass peninsular in Cyprus and in particular the environmental damage caused by the new road currently being constructed between Rizokarpasso and St Andrew's Monastery by the illegal regime in the occupied north of Cyprus. Please see the email link below.

<http://www.cyprus-mail.com/karpas/disastrous-folly-destruction-karpas/20130203>

We ask the Agency to exercise its considerable influence to stop this ongoing environmental destruction of the natural beauty of the Karpass peninsular. Once the natural beauty and rare species that the Karpass peninsular is well known for is destroyed they are lost for ever

Please take urgent action to preserve what remains of the natural environment of the Karpass peninsular.

We look forward to a response from you on this matter.

Yours sincerely

Mrs Mary Karaolis OBE BEd(Hons) MA NPQH FColIT
